

# CAMP GOOD NEWS SCHOLARSHIP APPLICATION

**(Only one application needed per family)**

Our desire as a camp is that any camper who would like to attend our camp is not denied the opportunity due to financial limitations. With this in mind, we have a scholarship program in place. ***We ask that you pay the \$75 registration fee when you send in the camper registration form to reserve a spot in the week of camp your camper wishes to attend.*** Then, return this completed form to apply for a scholarship.

While there are some funds available, they are limited. As a result, when possible, we ask for help from the local church that the child attends. We ask for the following information from you so that we may contact them to partner with us in getting your child to camp. You may also choose to approach the church on your own if you wish. If your child does not attend a local church, please indicate that on the form below.
